

Privacy Policy for GrowFans

- Information Collection:** GrowFans collects personal data such as your name, email address, and Instagram account credentials (username and password) to provide our services. This data is stored securely and only used for the purposes of offering the service.
- Data Usage:** We use the collected information to manage your account, automate interactions with Instagram, and improve the service provided. We may also use this data to contact you regarding account-related matters or service updates.
- Data Sharing:** GrowFans does not share, sell, or rent your personal data to third parties. We value your privacy and do not disclose personal information to external organizations unless required by law.
- Data Security:** GrowFans employs industry-standard security measures to protect your data. However, no online platform can be entirely secure, and we cannot guarantee the absolute security of your data.
- User Consent:** By using GrowFans, you consent to the collection, processing, and storage of your personal data as outlined in this Privacy Policy.
- Cookies and Tracking:** GrowFans may use cookies to enhance user experience and analyze website traffic. Cookies help us to remember your preferences and track usage patterns.
- Account Data Modification:** GrowFans may modify your Instagram account details, including the bio, username, or URL, to ensure security and effective operation of the service. These modifications may occur without prior notice.
- Data Retention:** We retain your data for as long as necessary to provide our services or until you request its deletion. Upon account termination, we will delete your personal data from our servers.
- Policy Changes:** GrowFans reserves the right to modify this Privacy Policy at any time. Any changes will be communicated to users via email or within the platform.

10. ****Your Rights****: You have the right to access, update, and delete your personal data stored by GrowFans. If you wish to exercise these rights, please contact us directly.
